

## CaMSP ONLINE COURSE

---

By October 11 all CaMSP participants will have to complete 6 hours of online coursework. The assignments build on the work done during the Summer Institute.

Each participant has been assigned a teaching assistant. They will review your submissions and guide you through the coursework. In addition to the direct contact with your teaching assistant the CaMSP Leadership Team will be reviewing the course development.

## BLACKBOARD

---

The online course will be completed on the Blackboard Learning System platform. Here is the link to access the course:

## LOG-IN

---

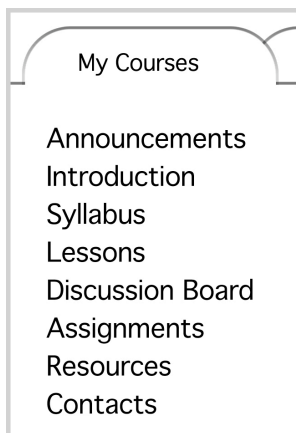

You will be prompted for your username and password. Your email address will be your username and when you first log on the same email address will be your password.

The link to change your password can be found under **Tools**. Click on **Personal Information** and select **Change Password**.

A screenshot of the Blackboard login form. It has a light grey border. At the top, it says "Username: / Nombre de usuario:" followed by a text input field. Below that, it says "Password: / Contraseña:" followed by another text input field. At the bottom right, there is a rounded rectangular button labeled "Login".

## COURSE TOOLS

---

*The course tools include:*

- Syllabus - A breakdown of the course timeline and structure
- Lessons - Reviews of Pedagogy, Language, and Mathematical Content
- Discussion Board - A community space to share experience
- Assignments - To complete your hours, you must complete each of the five sequential assignments
- Resources - Documents and links that you will find useful in completing your hours
